Newsletter 2 Term 1, Week 4 2021

Principal's Message

Dear Rosebank community,

Again, thank you for your support of the school over the past few weeks - it certainly has been a testing time, but together we will get through this! It is quite possible that we will go into lockdown again at some stage and I encourage you all to be prepared for this. At school, we have plans in place for all alert levels just in case we need to change again quickly.

A reminder that, if at any time you have any concerns or queries about ANYTHING at school, then I can be contacted via email on paul@rosebank.school.nz - I endeavour to reply as quickly as possible and will endeavour to sort your issue out quickly and effectively.

Enjoy the week ahead.

Paul Pirihi
Principal

Contact Details

Please ensure that all contact details are up to date, if you have changed address, email or phone numbers please let Christina know at the office via email : christina@rosebank.school.nz or call her on (09) 828-6319.

It is also vital that we have a second contact just in case we can't get hold of you.

Ka Ora Ka Ako (Healthy lunches into school)

Thank you for your support of this initiative starting at Rosebank school, coming off the lock down last week was tricky and the catering company worked hard to provide us with something on Thursday and Friday following the announcement of the school's reopening under Alert level 2.

The start of our 10 day menu began as of Monday with the full complement of our lunches coming into school and it has been a positive start with kids learning about some foods they have not come across before e.g. stone fruits, hummus, cheesymite rolls etc. We would like to continue to ask families to provide a small morning tea (as we have fruits in school happening as well) and we are encouraging our kids to try at least 5 bites of some of the food items that would be new to them as we are building a culture for healthy eating and responsible and safe exploration.

Since the start of the term teachers have been asking students for dietary information and are finding that some families are only informing us now if children are, for example, dairy free, vegetarian or a food allergy. Please email, call and communicate this directly to your classroom teacher, it will be a next day amendment but easy to sort, we just need to know. ***Any questions don't hesitate to contact your teacher or Bert Iosia bert@rosebank.school.nz***
