

Newsletter 6 Term 2, Week 1 2021

Principal's Message

Dear Parents/Caregivers

Welcome back to Term 2 - another term that promises to be just as busy as previous terms have been. I trust everyone had a great break and managed to spend some time with family.

Thank you for the feedback around the school opening Gate A only at this time - to hopefully improve safety around our roads. This initiative is Police and Auckland Council enforced, so we have to abide by it. Let's just see how it works and go from there. I urge everyone to use the crossing and DO NOT cross the busy Rosebank Rd, whether you're with your children or not - this is very dangerous and unless we all work together here on making things work, someone will get injured! Any thoughts on road safety need to be directed straight to me - either come in and see me or call Christina at the front office and she'll make time for us to meet.

The Te Whanau o Patiki rebuild officially starts next Monday May 10 - there will be a lot of tradesmen on site over the next 5-6 weeks, so please be extra aware of this particularly during drop off and pick up times. This is a very exciting time for the school as this rebuild has been way overdue - more information will follow later in the term as to an official opening.

A reminder if you have any questions or concerns related to your child's learning here at Rosebank School, the first port of call is their classroom teacher - if further support is needed, then Team Leaders will be asked to support. After that - members of our Senior Management team (Whaea Jasmin, Mr Bennett, Mr Iosia and Ms Fitzjames) will assist if necessary.

Any issues that then require the Principal to intervene - will come to me.

Have a great fortnight

Best wishes,

Paul Pirihi,
Principal

Change of clothing in school bag for Juniors

Sometimes, our Junior children do not make it to the toilet in time or might encounter an unforeseen event which would require a change of clothes. We therefore request that you send a complete change of clothes in your child's bag. Write your child's name and room number inside to ensure it does not go missing.
